

ARIZONA DRESSAGE ASSOCIATION

Dear ADA Member,

The 2009 year is coming to a close and, like me; you may be receiving the 2010 ADA, USDF and USEF membership renewal notices. In these tough economic times, when you have to make choices on where to spend your hard-earned money, **we greatly appreciate** that you've chosen to support us and your local dressage community. Enclosed is our 2010 Membership Renewal form for you to fill out and return.

As you make your renewal decision, please consider the ways your membership dollars were put to great use in 2009:

- ✓ Fantastic recognized and schooling shows. New this year, some great demonstrations at some of our recognized shows.
- ✓ The culmination of a USDF Educational L Program from which Arizona has several additional qualified schooling show judges.
- ✓ The hosting of phenomenal clinicians, including the sports psychology clinic and so much more.

The ways your renewal dollars will be put to work in 2010:

- ✓ Continued excellent competition opportunities for all levels of riders, including schooling shows.
- ✓ ADA Member Scholarships to help pay for educational opportunities.
- ✓ Continued Educational clinics and seminars, including hosting the USDF Adult Series Clinic in November with Charlotte Bredahl-Baker.
- ✓ ADA's monthly newsletter, The Centerline.

We hope you will renew your membership for 2010! Stay tuned to the website www.azdressage.org to keep up to date on some exciting plans in the works. And please feel free to let us know how the ADA can continue to improve its service to the Arizona Dressage Community.

As always, we would love to have your participation at monthly board meetings and we have many volunteer opportunities. Just let me know you are interested and I'll help you get involved!

Very best wishes, and have a safe Holiday Season,

Michell Combs
