# 2008 - PRONGHORN SCHOOLING SHOW RULES - 2008

These schooling shows are put on by NAC of ADA for the benefit of its members and the community. Show policies are set by NAC and the shows are subject to the show management's discretion. **The show management reserves the right to call for the removal from the show grounds of any horse or rider that jeopardizes the safety of any horse, rider, spectator or other attending party, or of any horse deemed unmanageable and/or a danger to itself or others.**

**NEW:** Students of the judges may show in that show. There will be no "waiting period".

Adult Amateur and Junior/Young Riders in Training through FEI, will qualify for the Championship Class if they receive two qualifying scores as listed below in front of two different judges, or if they place first or second in their class division (AA or Jr./YR) with a score of 55% or above in front of two different judges. Although Open riders are always welcome at NAC Schooling Shows, there will be no Championship Classes for Open riders.

There must be 2 or more qualified riders in each division, Adult Amateur and Junior/Young Rider, for the Championship Class to be held at that level in that division. AA and Jr/YR Championship Classes may be combined and pinned as a single class at management's discretion. No whips or readers are allowed in Championship classes. The minimum score for pinning in Championship classes is 50%. Full Show Dressage attire is encouraged.

## QUALIFYING SCORES:

	<u>AA</u>	<u>Jr/YR</u>
TRAINING LEVEL	59%	59%
FIRST LEVEL	59%	59%
SECOND LEVEL	58%	58%
THIRD & FOURTH LEVELS	56%	56%
PRIX ST. GEORGE & INTER I	56%	56%

Intermediate II and Grand Prix do not have Adult Amateur or Junior/Young Rider divisions. Qualifying score for these levels is 56%. One Championship class will be held at each of these levels with a minimum of two qualified riders per level.

It is the obligation of riders qualified for Championship Classes to submit qualifying tests along with their entry form to ride in Championship Classes.

Different riders may ride the same horse in the same level and test as long as they are in separate divisions.

US Equestrian Dressage Division Regulations are followed with the exception of dress requirements. Exceptions are: Jackets are not required; if a jacket is not worn, a short or long sleeve shirt with a collar is required; stock tie or choker is optional; tall boots or paddock boots, with or without chaps, are required. ASTM certified safety helmets are strongly recommended. Junior riders are required to wear safety helmets certified by ASTM whenever mounted.

Riders are advised that equipment may be checked, including whip length and bits.

No entry fees will be refunded unless cancellations are received by the closing date for that show. At management's discretion, if a horse/rider combination is scratched due to severe lameness, illness or other serious reason after the closing date, the entry fee may be held over to the next show. If not used at the next show, the entry fee will be dead and not refunded.

**Dogs are allowed but must be on a leash connected to a human or preferably tied to your vehicle in shade with water. A dog wandering around with a leash on, but free from any restraint shall be considered loose. The owner of any loose dog shall be subject to a \$25 fine.**

I have read the NAC Schooling Show Rules and Regulations and accept and agree to abide by them.
